PROJECT SPOTLIGHT - THE EXPERIENCE ROOM

A Design Story

Once upon a time...

Nestled between the hills of Southern Orange County, a world renowned artist, was seeking design expertise for his unique vision. He wanted a room that went far beyond function – a space that felt emotional, atmospheric, and deeply personal. Not just a pool room, but an Experience Room.

To give the room its bold, masculine soul, the walls were finished in a black Italian marmorino stone texture by plaster artist Carmen, adding depth and character with every shift of light from the Italian Viticcio crystal chandelier.

The result is a sanctuary – a place where the owner can gather with friends and enjoy the art of living beautifully, one moment at a time.

2025 HOLIDAY DECOR

INSPIRED BY RALPH LAUREN – AMERICAN ELEGANCE WITH EUROPEAN NOTES.

Think classic tartan patterns, leather accents, antique brass, and evergreen branches woven through the décor.

The result is a timeless holiday atmosphere – elegant, warm, and effortlessly chic, perfect for gatherings that feel both elevated and deeply personal.

Add layered candlelight, oversized glass hurricanes, wool or velvet throws, and a touch of vintage charm.
