DESIGN ELEMENTS OF AN ITALIAN KITCHEN

ITALIAN KITCHEN A WORK OF ART

**From rustic farmhouse charm to sleek modern lines,
Italian kitchens are admired for their timeless beauty and
everyday practicality.**

Italian brands like Aranelli, Febal and Scavolini are renowned for creating bespoke kitchens that merge impeccable design with the highest standards of quality.

DESIGN BY ARANELLI CUCINE

The combination of luxurious materials—like marble and premium wood finishes—adds timeless elegance while ensuring the durability and functionality needed for everyday cooking.

DESIGN TIPS ITALIAN KITCHEN ESSENTIALS

Italian kitchens are not just designed to cook in—they're built to live in.

- Espresso machine – For the perfect start to any day.
- Olive oil & cruet – Daily elegance with every drizzle.
- Marble surface – Classic, cool, and made to last.
- Copper or stainless pans – Functional and refined.
- Wooden boards & utensils – Natural, tactile tradition.
- Open shelving – Showcase beauty in everyday tools.
