Design Trends to Watch

HERE ARE THE INSPIRATIONS WE LOVE THIS YEAR.

Layered Luxuries: Combining rich materials like velvet, crystal and brass for a sophisticated vibe.

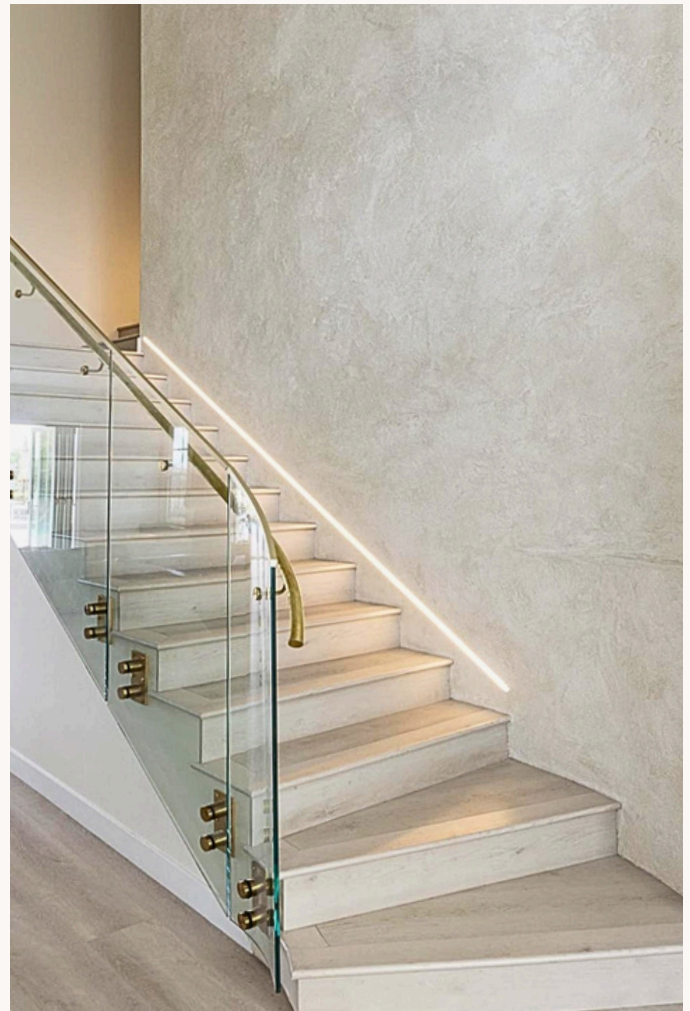

Earthy Elegance: Natural textures, terracotta tones, and organic shapes.

Personalized Statements: Unique wall finishes and bold accents for a one-of-a-kind look.

These gorgeous Marmorino walls by Italian artist [Carmen Ture](#) showcase the versatility and elegance of this traditional Italian plaster.

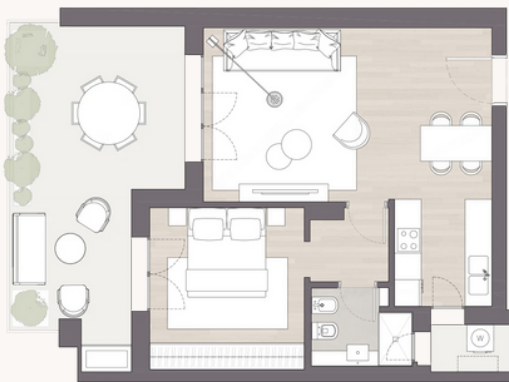

LET'S COLLABORATE TO INCORPORATE THESE TRENDS INTO YOUR VISION!
