Our Latest Client Project

WE ABSOLUTELY LOVED
WORKING WITH THIS CLIENT!

In the makeover of Antonella and Paul's living spaces in Laguna Niguel, a captivating blend unfolded as Antonella's affinity for clean lines and timeless solid design elements met the allure of a mid-century modern coastal flair. Working closely with Antonella was a joy. Her enthusiasm and openness allowed us to experiment, blending modern aesthetics with coastal elements in a way that felt uniquely theirs. The result? A living space that not only reflected, and seamlessly merged their individual styles, but also celebrated the beauty of the coastal surroundings they cherished.
